Please check mark each item before starting a shift on the platform. DO NOT start your shift until all mandatory items have been satisfied.

Review this list again if people get on or off the platform for any reason during your shift.

## Mandatory

- Someone on the platform MUST have a cell phone. Preferably the driver.
- Everyone is wearing their harness correctly and that it fits properly – snug but not overly tight.
- Everyone is properly tethered to the safety bar on the platform. If the lanyard has a swivel it should be on the end attached to the platform safety bar. Make sure the lanyard is securely attached to the metal loop and not just on the peg on the safety bar on the blue platform.
- Safety extension bars are extended at each picking station that has an extension bar and that it is securely fastened in place.
- Everyone is wearing eye protection – prescription eyeglasses, sunglasses, or eye shields
- Know the emergency contact number.

## Recommended

- 1) Check drinking water and cups
- 2) Wasp spray
- 3) Bin tags
- 4) Clear decks of fallen pears and debris
